

Dear Supporter,

Rates of incidence of Type 1 diabetes are rising around the United States. It is estimated that over 18,200 children and adolescents under the age of 20 in the United States are diagnosed with Type 1 diabetes each year, and less than a third consistently achieve target blood-glucose control levels.

At Diabetes Camping and Educational Services Inc., we are continuously working to support adolescents and their families at Camp Conrad Chinnock to aspire, believe and grow. While the cure for Type 1 diabetes (T1D) will someday be a part of our future, our children and families need critical support now in order to truly live any type of 'normal' life. This is exactly why in these times we are doing everything possible to keep our programs available to all, not only as a critical bridge for our children and families, but as a guiding light to provide support and hope.

Our medical and program teams have been collaborating with hospitals, schools and health organizations to provide additional camperships funds and psychosocial support programs for those families hit hardest by the current times. We promise to aid all families in this critical period both financially and emotionally. It is more important than ever that we stay connected and seek out those who need our support.

We invite you to gather with us on Saturday, October 15, 2022 at Disney's Grand Californian Hotel and Spa for our 14th Annual Evening 'Round the Campfire Hybrid Gala, themed, "You Are My Inspiration" as we recognize individuals invited by our families who provide their children extraordinary strength, love and hope, as they manage through life living with Type 1 diabetes. This family affair will feature a silent auction reception, children's activities, special guest entrainment, along with skits and songs performed by the children of Camp Conrad Chinnock. Together let's make a profound difference within the lives of the children and families that benefit from Diabetes Camping and Educational Services.

Attached is a summary of available sponsorship and advertising opportunities, please also visit our special event website at www.roundthecampfire.org
Until There's A Cure...There's Camp!

Sincerely,

Ryan Martz, Development and Program Director
